Indicate which of the following required courses you have already completed and semester completed

☐ TSL 3360 (Intro to TESL)
☐ LIN 3010 (Intro to Linguistics)
☐ LIN 3680 (Modern English Structure)
☐ LIN 4721 (Second Language Acquisition)
☐ TSL3378 (Pronunciation for TESL) Only offered during fall semester

Please note you will need to also complete TSL 4940 (TESL Internship) after these other courses are completed.

IF YOU ARE A LINGUISTICS MAJOR: Please note that only two of the required TESL courses may overlap with the Linguistics major: LIN 3010 and LIN 4721. In order to graduate with the TESL certificate as a Linguistics major, you CANNOT count TSL 3360, LIN 3680, TSL3378 or TSL 4940 toward your major requirements and so must take four OTHER classes in addition to these for the major.
