Class meeting times: M,T,W,R,F| Period 3(11:00 AM-12:15 PM)

Instructor: Delin Deng

Office hours: by appointment

### **Class Meeting Times**

This is a face-to-face class, which means that we will meet regularly as listed above under "class meeting times".

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A “class lecture” is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third-party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.

### **Course Description**

In this class, we will familiarize ourselves with key concepts, theories, and empirical research on child and adult second language acquisition (SLA).

### **Course Objectives**

By the end of this course, you will have acquired the ability to intelligently discuss aspects of the theory and practice of language learning based on knowledge of the scholarly research in the field. You will also have learned how to analyze learner data both for research purposes and to inform ESL teaching practice.

### **Course Credit Requirements and Grading**

**Terminology Reviews:** 18% (2% each)

You are responsible for 9 terminology reviews, each counting 2% towards your final grade. In these reviews, you are asked to provide short definitions (like in a glossary) for key terms and

concepts covered in the referenced chapter. The terminology reviews are due on the dates listed on the course schedule and are submitted on Canvas.

### **Exams: 30% (10% each)**

Exams. There are 3 exams. Each exam counts towards 10% towards your final grade. The exams will be due on the dates listed on the course schedule and are submitted on Canvas.

### **Discussion Boards: 30% (10% each)**

You will participate in 3 Discussion Boards that summarize key content and give commentary on 3 video lectures that address different key issues in contemporary second language acquisition research. Specific instructions for each Discussion Board are provided on Canvas. The Discussion Board responses are due on the due dates shown on the course schedule and are submitted on Canvas.

### **Research Article Presentations: 22%**

Each student will prepare a summary of a recently published research article. Presentations should not exceed 15 minutes in length. All presentations should end with 2-3 critical discussion questions to kick-start in-class discussion. Please submit your presentation under the assignment tab before your scheduled presentation day.

Feel free to choose any article from the instructor's list. You may also present any articles that you find related to this course. But your chosen article needs the instructor's approval. If you have any difficulty in finding article, please consult with your instructor. I am happy to help you find articles.

Please make your selection of article and email me NO LATER than July 12<sup>th</sup>, 2023.

### **Attendance and Participation**

Attendance is mandatory for all class meetings. You are allowed to miss up to three 50-minute class periods (lectures and TA sections combined) without any excuse. Each further unexcused absence will lower your grade by one level (e.g. from an A to A-). Excused absences must be consistent with university policies in:

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

### **Extra Credit and Make-up Assignments**

If you have missed more than three 50-minute class periods with an excuse, please contact Delin Deng to discuss the possibility of a make-up exam or equivalent. You cannot make up for unexcused absences.

There will be no extra credit. Please do not ask.

### **Grading Scale**

Your total score determines your final grade on this grading scale:

100-93=A; 92.9-90=A-; 89.9-87=B+; 86.9-83=B; 82.9-80=B-; 79.9-77=C+; 76.9-73=C(S); 72.9-70=C-(U); 69.9-67=D+; 66.9-63=D; 62.9-60=D-; 59.9-0=E. For information on current UF grading policies for assigning grade points, please go to

<https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies>.

## **LIN4721 Introduction to Second Language Acquisition (Summer 2023)**

I aim to grade and give feedback on any course assignments as promptly as possible, within a week at the latest. For more information on how exactly each assignment will be graded, please read the Grading Rubrics page on Canvas.

### **Classroom Etiquette**

Please switch your cell phone to silent during class. Please make every effort to arrive to class on time. Being more than 10 minutes late to the start of the course will count as an absence on each third occasion of such tardiness. We will familiarize ourselves with other rules of “netiquette” in the first week of classes; a summary of the netiquette rules is on Canvas.

### **Technology and Materials Requirements**

There is one required textbook for this class: Ortega, Lourdes. 2009. *Understanding Second Language Acquisition*. London: Hodder Education [ORT]. A pdf of the book and all other course materials will be available on CANVAS. To participate fully in this course, you will need to be able to access the Canvas course site.

### **Student Accommodations**

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <<https://disability.ufl.edu/students/get-started>>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

### **Course Evaluation**

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <<https://gatorevals.ua.ufl.edu/students>>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <<https://ufl.bluera.com/ufl>>. Summaries of course evaluation results are available to students at <<https://gatorevals.ua.ufl.edu/public-results>>.

### **University Honesty Policy**

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<<https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code>>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

### **Software Use**

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the
