### **Class Meeting Times**

This is a face-to-face class, which means that we will meet regularly on Tuesdays and Thursdays as listed above under "class meeting times".

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A "class lecture" is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To "publish" means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.

### **Course Description**

In this class, we will familiarize ourselves with key concepts, theories, and empirical research on child and adult second language acquisition (SLA).

### **Course Objectives**

By the end of this course, you will have acquired the ability to intelligently discuss aspects of the theory and practice of language learning based on knowledge of the scholarly research in the field. You will also have learned how to analyze learner data both for research purposes and to inform ESL teaching practice.

### **Course Credit Requirements and Grading**

**Exams:** 33% (11% each)

Exams. There are 3 exams. Each exam counts towards 11% towards your final grade. The exams will be due on the dates listed on the course schedule and are submitted on Canvas.

**Recorded Recent Research Presentation:** 20%

Groups of one or more students will prepare a video recording of a published research article (the articles are all available on CANVAS). Presentations should not exceed 15 minutes in length. The presentation should end with at least two discussion questions. For the recording, you can use Zoom, VoiceThread, or any other recording

software that allows for free sharing of the recording via a link or file. Recorded research article presentations are due on the due dates as shown on the course schedule. Submit the link or file under the corresponding assignment on Canvas.

### **Recent Research Discussion Boards: 24% (3% each)**

You will participate in 8 Canvas Discussion Boards in which you watch a recorded presentation of a research article by a group of your peers, respond to questions as listed on the Discussion Board, and leave comments for peers as instructed on the Discussion Board. The Discussion Board responses are due on the due dates shown on the course schedule and are submitted on Canvas.

### **Recorded Theory Presentation: 23%**

Groups of one or more students will prepare a video recording of a summary of one chapter in the [VKW] textbook (see Technology and Materials Requirements below for a listing of the two required textbooks for this class). Presentations should not exceed 25 minutes in length. For the recording, you can use Zoom, VoiceThread, or any other recording software that allows for free sharing of the recording via a link. Recorded research article presentations are due on the due dates as shown on the course schedule. Submit the link or file under the corresponding assignment on Canvas.

### **Attendance and Participation**

Attendance is mandatory for all class meetings. You are allowed to miss up to three 50-minute class periods (lectures and TA sections combined) without any excuse. Each further unexcused absence will lower your grade by one level (e.g. from an A to A-). Excused absences must be consistent with university policies in: <<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>>.

### **Extra Credit and Make-up Assignments**

If you have missed more than three 50-minute class periods with an excuse, please contact Dr. Wulff to discuss the possibility of a make-up exam or equivalent. You cannot make up for unexcused absences.

For extra credit, you can participate in the Lancaster-Northern Arizona Corpus of Spoken American English project for 3 extra points. You can find more information here. If you are not eligible for this opportunity but would like to earn 3 points extra credit, contact Steffi ([swulff@ufl.edu](mailto:swulff@ufl.edu)) -- we will find you another opportunity.

### **Grading Scale**

Your total score determines your final grade on this grading scale:

100-93=A; 92.9-90=A-; 89.9-87=B+; 86.9-83=B; 82.9-80=B-; 79.9-77=C+; 76.9-73=C(S); 72.9-70=C-(U); 69.9-67=D+; 66.9-63=D; 62.9-60=D-; 59.9-0=E. For information on current UF grading policies for assigning grade points, please go to <<https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies>>.

I aim to grade and give feedback on any course assignments as promptly as possible, within a week at the latest. For more information on how exactly each assignment will be graded, please read the Grading Rubrics page on Canvas.

### **Classroom Etiquette**

Please switch your cell phone to silent during class. If we are meeting on Zoom, mute your microphone unless you are speaking to minimize background noise for everyone. Please make every effort to arrive to class on time (even if it is on Zoom). Being more than 10 minutes late to the start of the course will count as an absence on each third occasion of such tardiness. We will familiarize ourselves with other rules of "netiquette" in the first week of classes; a summary of the netiquette rules is on Canvas.

### **Technology and Materials Requirements**

There are two required text books for this class:

Ortega, Lourdes. 2009. *Understanding Second Language Acquisition*. London: Hodder Education [ORT]. A pdf of the book and all other course materials will be available on CANVAS.

VanPatten, Bill, Gregory Keating and Stefanie Wulff. 2020. *Theories in Second Language Acquisition*. 3rd edition. New York: Routledge [VKW]. Please purchase this book. Make sure to get the third edition.

To participate fully in this course, you will need to be able to access the Canvas course site.

### **Student Accommodations**

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <<https://disability.ufl.edu/students/get-started>>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

### **Course Evaluation**

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <<https://gatorevals.aa.ufl.edu/students>>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <<https://ufl.bluera.com/ufl>>. Summaries of course evaluation results are available to students at <<https://gatorevals.aa.ufl.edu/public-results>>.

### **University Honesty Policy**

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<<https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code>>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

### **Software Use**

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

### **Student Privacy**

Federal laws protect your privacy with regards to grades earned in courses and on individual assignments. See <http://registrar.ufl.edu/catalog0910/policies/regulationferpa.html> for more information.

### **COVID-19**

In response to COVID-19, the following recommendations are in place to maintain your learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of ourselves, our neighbors, and our loved ones. If you are not vaccinated, get vaccinated. Vaccines are readily available and have been demonstrated to be safe and effective against the COVID-19 virus. Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.

### **Disclaimer**

Students are encouraged to employ critical thinking and to rely on data and verifiable sources to interrogate all assigned readings and subject matter in this course as a way of determining whether they agree with their classmates and/or their instructor.
